With so much to offer right at your fingertips, Kansas City put HOA on the map and made directors take notice. Kansas City sits on Missouri's western edge, straddling the border with Kansas. It's known for barbecue, its jazz heritage and fountains. Downtown, the American Jazz Museum shares a building with the Negro Leagues Baseball Museum in the historic 18th and Vine Jazz District. The Nelson-Atkins Museum of Art, featuring giant shuttlecocks, houses nearly 40,000 works of art, from ancient to contemporary collections.

The Crown Center contains over 20 different food options, an ice-skating rink, LEGOLAND, the Kansas City Aquarium, Union Station and Science City all under one roof. A student and family friendly environment, Hallmark's Crown Center provides a fun environment so you can relax while your students have a great time exploring all that Crown Center has to offer.
